It restores to full vigor every delicate nunctien connected with that mysterious compound agency of matter and mind, necessary to the reproduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher iental attributes. Its peneficial effects are not con aned to either sex or to any age. The feeble giri, the ailing wife, the listless, ernevated youth, the verworn man of business, the victim of nervous dapression, the individual suffering from general deoility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator.
